About Us

Company History

Hello, Sky World welcomes you. This product manual will inform you about SKY's main theme, its products, information, uses, and its vision. "My Health, My Right" is the slogan of the Global Health Organization for 2024. This right requires every family to be aware of their health and prioritize health care. Our fast-paced lives, lack of time, air and water pollution, inadequate food intake, physical fatigue, and mental stress are all troubling us. Sky World aims to address these issues. For these reasons, Sky wants us, our homes, our health, our land, and our animals to remain healthy. This booklet highlights the medicines and other products manufactured by Sky World, and through this, we are trying to become aware of their intricacies and knowledge. Sky provides you with the special quality and all the necessary regulations, permits, and certifications through this booklet so that you can reach every household and village with this information, facilitating your business. We pray that you study these medicines and gain all the information you need, making your business easier. The company is committed to providing information about its products through these channels in the coming days. We pray that you have a healthy life, be successful in your business, achieve every height of success, and live a healthy and happy life.

01 Health Care

Being healthy is important because it can help a person have a healthy heart, better muscles, stronger bones, a sense of well-being and a better social life. Eating right and correct exercising will lead to overall better health. When exercise and healthy eating are achieved on a daily basis, people tend to feel better about themselves. While the spectrum of health problems resulting from calorie-protein under nutrition is different from the "empty-calories" overfeeding, both can have devastating consequences on both quality of life and longevity. So, Sky World brings a range of products to fulfil the daily gap of nutrition for an individual. The range consists of health supplements for healthy immunity, cardiovascular system, glycemic health, detox, rejuvenation, women health, fitness and for healthy bones and joints. This range of supplements from VB enables people to live a qualitatively better healthy life and step into the world of wellness.

02 Personal Care

Personal care is a cruelty-free, paraben-free and vegan range of premium skin, body and hair care products that enhance skin care experience with motherly care of nature. Made with exotic natural ingredients sourced from various parts of the world and processed with utmost care to provide the ultimate quality to the consumers. Personal Care is definitely the brand you can rely on to care for, pamper and extend yourself.

www.skyworldindia7@gmail.com

VB Face Serum

VB Face Serums contain a much higher concentration of active ingredients (like Vitamin C or Retinol) than standard creams, leading to faster results. Their lightweight, watery, or gel-like texture allows them to sink deeper into the skin layers rather than just sitting on top. Targeted Treatment: Whether you want to fix acne, dark spots, or wrinkles, there is a specific serum designed for that exact "mission." Non-Greasy: Most serums are water-based, making them perfect for people who hate the heavy, oily feel of traditional lotions. Better Value: Because they are so concentrated, you only need 2-3 drops for your entire face.

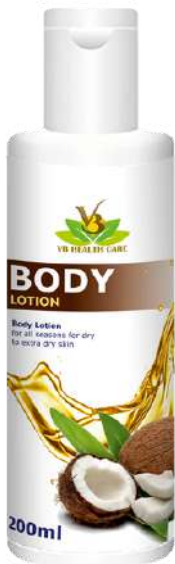

Dosage : after cleansing and toning, but before moisturizing, by gently patting 2-3 drops onto your face and neck using fingertips.
